

Home learning for pupils

Hello Year 3,

We hope you know all the Year 3 teachers and staff are thinking of you and hope you, family members and friends are all well.

Below is a range of activities that you can complete this week at home. (Week 2)

Work can be done on the computer or on paper/ in books.

We have also added 'to do' work on purple mash for you to complete. Don't forget to practise your times tables too using Times Table Rock Stars!

We know how much you love keeping up to date with the news, so here is a link you can follow to 'First News' - <https://schools.firstnews.co.uk/wp-content/uploads/sites/3/resources/First-News-718.pdf>

Writing activity

Create a character for a story.

Role on the wall. What does your character look like?

How does your character behave? What makes them feel happy? What makes them feel upset? Use the adjectives list to help you describe your character.

Draw a picture of your character.

Role on the wall. Write down what personality traits (positive and negative) your character has. Family members? Friends? Draw a picture of your character.

Role on the wall. Write down what personality traits (positive and negative) your character has. Where does your character live?

Who are they friends with? Can you relate to them? Why? Draw a picture of your character.

Reading Activity

Read 'Alan Turing' non-fiction text and answer the questions from  ,

  or    .

Spelling Activity

Practice the spellings from the booklet you can download from our school website. Week 2 – homophones and near homophones.

Grammar Activity

Practise using conjunctions in your sentences. What are the different types? Answers are also attached so check your work too!

Times Table Activity

Play hit the button. Can you beat your score?

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Multiply by 3 Fluency questions 1-4 / Multiply by 3 Reasoning questions 1-3

Multiply by 3 Fluency questions 5-8 / Multiply by 3 Reasoning questions 4-6

Multiply by 3 Fluency questions 9-12 / Multiply by 3 Reasoning questions 7-9

Calculation Activity

Column Subtraction no exchanging

Column Subtraction with exchanging

Answers included!

Science Activity

Have a look at the different types of rock – natural and human-made. After

this, choose one of the challenges  ,  or 

from the activity sheet.

Geography Activity

Study the map of the United Kingdom. Make sure you know where all the major cities are. Then play game - <https://online.seterra.com/en/vgp/3104>

Art Activity

Draw your self-portrait in the style of Roy Lichtenstein 'Pop Art'.

He is famous for comic strip type drawings, painting everyday objects, and for using onomatopoeia in his artwork. Examples - <http://examples.yourdictionary.com/examples-of-onomatopoeia-for-kids.html> Use coloured spots to create your own self-portrait. You can cut out spots and stick them on or draw and colour in spots. You can use paint/ chalk/ felt-tip pens...the choice is yours!

Project Time!

We would also like you to complete a project during your time at home.

Please research as much information as you can about **The Romans**.

Then decide on how you would like to present your learning. For example-

- *PowerPoint presentation
- *Designing/making armour
- *Design a mosaic vase
- *Create a fact sheets about Roman Numerals
- *Take part in a Roman Banquet
- *Build a Roman Chariot...

The choice is yours! Have fun!
